SUMMARY

The Court of Appeal Luxembourg addressed an appeal concerning a patent dispute. The patents at issue relate to a method and apparatus for obtaining UE security capabilities. According to the headnotes of the decision, decisions made by the judge-rapporteur under Rule 262.1(b) of the Rules of Procedure can be reviewed by the panel of judges in accordance with Rule 333. Appeals against the panel's decision may be brought before a higher court under Rules 220.2 and 220.3 of the Rules of Procedure.
