The Court of Appeal Luxembourg ruled on an action for revocation. The patent at issue relates to methods and apparatus for overlaying multi-carrier and direct sequence spread spectrum signals in a broadband wireless communication system. According to the headnote of the decision, when leave to appeal is granted within the initial order itself under Rule 220.2 of the Rules of Procedure, the Statement of appeal must be filed within 15 days from service of that order, but if the leave decision is issued in a separate order instead, the 15-day deadline runs from service of the separate order containing the leave decision.
