

HEADNOTE

“In the appeal against an order in which an application for security for costs was dismissed, a request by the Appellant to expedite the appeal and shorten any deadlines where possible in accordance with R.9.3 (b) RoP is denied for being too unspecified and insufficiently substantiated.”

SUMMARY

The Court of Appeal Luxembourg ruled on an infringement action. The patent at issue relates to an integrated circuit and method for establishing transactions. According to the headnotes of the decision, a request to expedite an appeal and shorten procedural deadlines must be sufficiently detailed and supported by concrete justification in order to be granted under the Rules of Procedure.
